POINT-TO-POINT COURSES IN THE MIDLANDS AREA

Most courses have Trade Stands, Catering/Refreshments, Bookmakers and Public Conveniences and some have Children's Amusements and a Tote. All venues allow for picnicing and encourage sensible dog ownership.

1 Brocklesby Park,
North Lincolnshire, DN18 8PJ (then follow signs)
Just off the A18, near Humberside Airport.
Two meetings annually.
Mainly flat course, all permanent fences. Viewing is good, hard road access, well-sited car parks. A proper old-fashioned Point-to-Point and well worth a visit.

2 North Carlton, Lincolnshire, LN2 2NA
Lincolnshire Showground, entrance Gate 6, off Tillbridge Lane. 1 mile north of Lincoln.
Two meetings annually
A new, purpose built course for 2009. Flat, nearly square track with permanent buildings that are used to facilitate the meetings. Ideal for early meetings, hard road access, big screen at both meetings.

3 Welbeck, Nottinghamshire
Off the A57 Worksop, on the B6034. There is a separate entrance for lorries and cars; please follow the signs.
One meeting annually.
Undulating course, not too testing. Viewing good. Superb parkland setting. Official car entrance through long ornamental drive. Ample parking with good viewing on sloping ground above the course.

4 Thorpe Lodge, Nottinghamshire, NG23 5PY
4 miles south-west of Newark, off the A46.
Two meetings annually.
Flat almost square course providing a fair test. An ideal course for early season racing. Car parking good, one entrance/exit, but traffic flows well and well signposted from A46. Viewing quite good from slope overlooking finishing straight.
